4th Way of earning

Team Building:

Selling and retailing products and earning commissions is the foundation of your NatLa Global business. However, by building a team of like minded individuals who share the products and the opportunity with others, you can expand and take your business to higher levels with limitless possibilities. At NatLa Global we have created a pay plan which is second to none, we have really made it a true partnership between the company and our independent business affiliates. Like all binary plans it is comprised of two sides, one pay side (the lesser volume side) and one power side (the larger volume side) It pays percentages from the volume created on the pay side. The highest percentages ever paid in the industry from 12% to 25% based on the level of production or rank attained. Following we show a chart with each rank and respective percentage of earning

Rank	Requirement	%
IBA	Make a purchase	
Silver	1 Active on each side	12%
Silver Plus	500 CV Lesser leg	13%
Gold	1,000 CV Lesser leg	14%
Platinum	5,000 CV Lesser leg	16%
Diamond	10,000 CV Lesser leg	20%
Black Diamond	20,000 CV Lesser leg	22%
Blue Diamond	30,000 CV Lesser Leg	25%

5th Way of earnings

Matching Bonus:

The 5th way of earning is another bonus, the matching bonus. By far the most generous bonus of its nature in the relationship marketing industry. Very rarely any compensation plan has ever offered the opportunity to earn up to 100% in matching bonuses following, see a chart showing the great benefits of this, the 5th way of earning income with NatLa Global

As you can see in the chart below NatLa Global pays a matching bonus from the moment you activate your binary by placing on each team at least one active IBA meaning that, from as early as the position of Silver you may start collecting a matching bonus. Very few if any pay plan in the MLM industry pay a matching bonus as early as our pay plan.

Rank	Level 1	Level 2
Silver	10%	
Silver Plus	20%	
Gold	50%	10%
Platinum	50%	20%
Diamond	50%	30%
Black Diamond	50%	40%
Blue Diamond	50%	50%
